HURRY, DOCTOR!

By Mack Sennett.

Two paper hangers, Ralph and his assistant are working in a doctor's office. The doctor goes away and Ralph poses as the doctor in order to treat a pretty girl. His assistant accidentally gives her carbolic acid instead of a tonic. Ralph finds it out and rushes to her house where he finally gets her to elope with him while her father is kept in the house by a smallpox sign he has tacked on the door.
